**“I love the freedom.”**

“I love the freedom that Start Health gives me. I can go see whoever I want, whenever I need, and I don't have to worry about all the complexities when getting care as I did with other insurance companies. It's so simple. I go to the doctor's, upload my receipt, and get reimbursed. Love it!”

We're proud to say we're the only solution offering the unique benefits we do. Joining us means lower premiums, HSA triple-tax advantages, and empowering employees in an impactful way.

## LOWER PREMIUMS

Combining a reimbursement model and an HSA enables members to only pay for what they need and save the rest. When you save, we save and vice versa!

## HSA QUALIFIED

The money you and your employees save on premiums can be stashed away into an HSA (tax-free!) to be used for current and future medical expenses. What better way to say thank you to your valued employees?

## EMPLOYEE EMPOWERMENT

Encourage your employees to be financially savvy by shopping for doctors and paying cash-pay rates with Start, your employees can get the care they need at an affordable price.

After receiving care, ask your provider or their staff for an itemized receipt for your visit. Simply upload your itemized receipt to your Start portal within 30 days of service. Start will then review your expense for reimbursement.
