

getting started

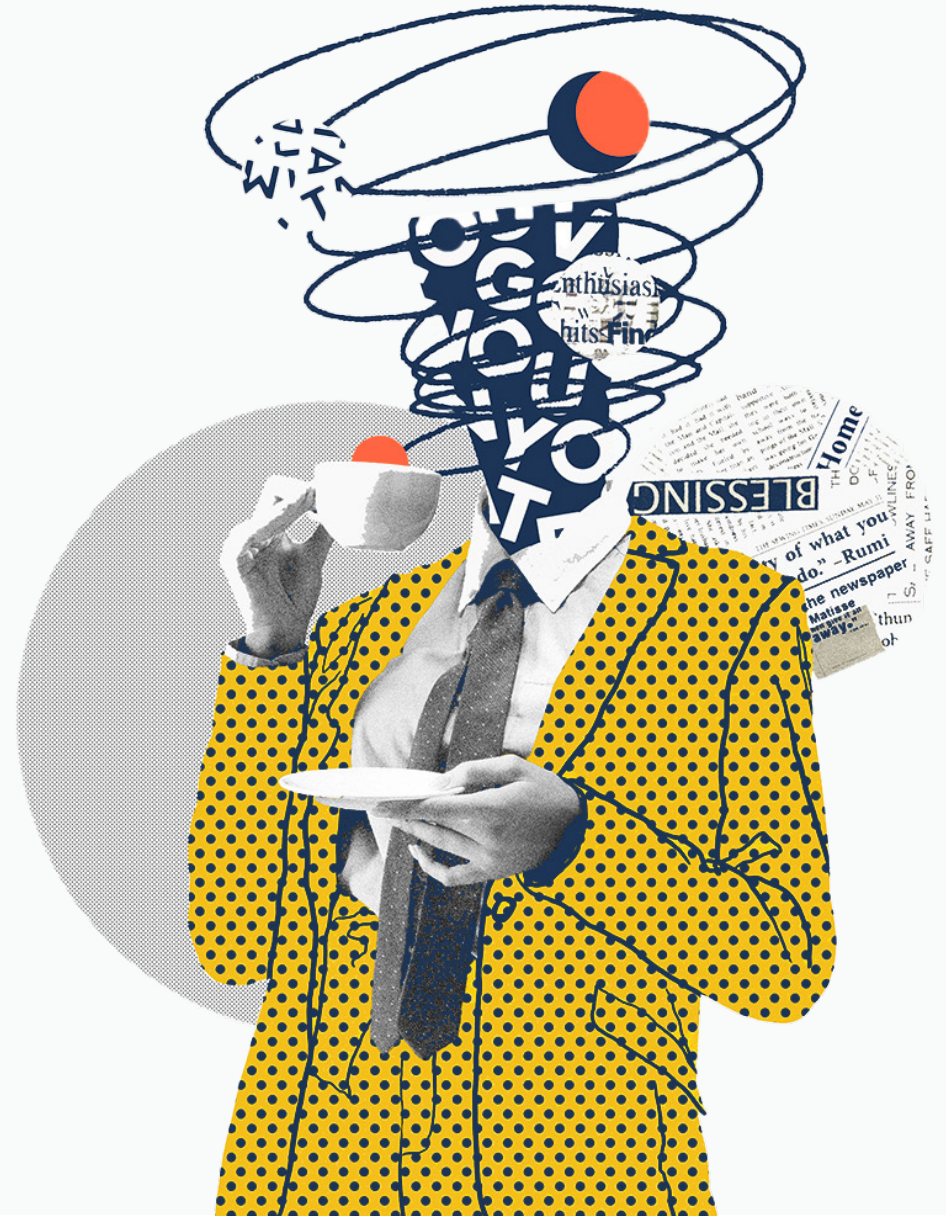

Imagine if health coverage was as simple as buying a pair of shoes, booking a plane ticket, or getting your clothes dry cleaned. The good news?

It can be.

Love traditional health coverage?

Then this isn't for you.

Scan to start.

Start is the health insurance alternative for those ready to fight the rising costs of healthcare.

Start is the only HSA-qualified reimbursement model and offers excellent, network-free coverage.

How It Works

01

FIND CARE

Search for a provider using the built-in search tool and receive care.

02

UPLOAD RECEIPT

Upload your itemized receipt into the Start app.

03

GET REIMBURSED

Get reimbursed for the procedure. Reimbursements apply to your benefits.

unprecedented
